With the cold weather we understand people using their wood stoves or fire places. Please remember, only clean firewood can be burned in a fireplace, wood stove or fire pit. Do not burn garbage or any other combustible material as it is unsafe and can cause a terrible odor for the neighboring people.

Happy New Year from the **Cupar Library Board** to All !!

The Christmas Raffle draw was made on Friday December 21. Leonard Hollister was **1st Prize winner** of the Hand luggage Carry-on. Tammy Row was **2nd Prize winner** of the \$50.00 Sephora Gift card. Thank you very much to everyone for your support.

Thank you to Robert Betteridge for his presentation on November 17. He talked about his life as a teacher, artist and then poet, and he recited from a booklet of his poems. Robert and his wife set up a display of his paintings and poetry. We enjoyed a very pleasant afternoon. Thank you to all that attended.

Cupar Library is open on Wednesday and Friday, from 10:30 to 5:00. Drop in and check out our upcoming events.

If anyone is interested in joining the library board, let us know, or you could come to the next meeting on January 16 at 6:30.

The Town of Cupar will be picking up your real Christmas Trees when the season is over. Please ensure all Christmas decorations have been removed and place the tree on the curb for pick up.

“An optimist stays up until midnight to see the New Year in. A pessimist stays up to make sure the Old one leaves.”

Fun Facts about New Years around the world:

1. In some cities of Colombia, Cuba and Puerto Rico, there is a tradition of making a male doll that is stuffed with memories from the past year, all dressed with the clothes of the outgoing year and is called Mr. Old Year. At midnight, the doll is set on fire symbolizing erasing of the bad memories.
2. Mexicans are known to eat 12 grapes on New Year's Eve. They pop one each at the stroke of midnight, which symbolizes the nature of the months ahead. One needs to watch out in the month the grape tastes bitter! Pomegranates are eaten for prosperity while figs are for fertility.
3. In the annual Hogmany celebrations of Scotland, men swing blazing fireballs over their heads as they parade through the streets. The age old tradition is believed to bring a pure and sun-filled year.
4. Greeks in 600 B.C. began following a tradition of using a baby to signify the upcoming year. In order to celebrate their god of wine, Dionysus, people paraded a baby in a basket, representing annual rebirth of that god as the spirit of fertility.
5. In Italy people enjoy celebrating a few ancient traditions, like wearing red underwear. Revellers enjoy a dinner usually made with pig trotters and lentils, and a spoonful is eaten with every chime of the bell at midnight.
6. In Estonia, people believe that you should eat seven, nine or twelve times, on New Year's Eve, as these are lucky numbers.
